YMCA LED CLASSES

Class Name	Class Description
Ballerific	How many different games can we play with a ball? Find out in Ballerific!
Basketball Basic	The YMCA created sport that is now know around the world. Let's bring it back to basics so we learn how to dribble and move before we play some games.
Beady Buddies	Use beads to create fun creatures each week!
Board Games	Learn strategy and patience as you play various board games with and against your friends.
Card Games	Learn new card games to challenge your ends and family each week.
Cardio Blast	Keep yourself active everyday! Explore a world of playground games you never knew existed. Each week we will learn two new and exciting games and try them out.
Cartoon College	Ever wonder where cartoonists learned to draw? Well, in cartoon college we will learn some of the basics of this hilarious art form.
Circuit City	Prepare for shock and awe moments in a class designed to educate students about electricity
Claymation	Time to use your hands and be creative! Clay will be used throughout the session as kids use their creativity and imagination through sculpture and painting.
Color Challenge	Students will be split into teams each week and will play games that challenge them to work together in order to win points for their team.
Crafty Creations(K-2nd)	Kids will learn to create fun & unique projects including: slime, kinetic sand, puppets & much more!
Create a Hero	2nd-5th graders- Create your own character, give your character life and insert your character into an age appropriate story that you make and act out your story with the help of your YMCA counselor.
Creating Critters	Students will be given the chance to be creative and explore working with different materials to create a small animal to take home each class.
Creation Station	Use your imagination as you create your own art each week using a variety of mediums including paint, clay, oil pastels, chalk and paper. We will focus on a different medium each week. Choose what you want to make each class.
Dodgeball	Enjoy a classic elementary school game while learning new variations to play with ends!
Dr. Seuss (K-2nd)	Listen to and experience classic Dr. Seuss stories through a variety of art activities and games with other Kindergarten-2nd graders.
Dramatic Games	Practice your improvisational skills while learning new games to share with your ends!
Game Creation	Time to add new games made by you to make and then play at the Y. In small groups we will work together to create a board or card game from scratch.
Gym Games	Learn a variety of new games from board games to puzzles to group games, anything you can think of.

Class Name	Class Description
Gym Time	Spend time in the gym learning new games and play some great classics!
Homework Time	Work on homework or read a book quietly before you head home.
Interactive Storytelling	Bring stories to life: act out stories, create new stories using pictures from picture books, use story cubes, and tell stories with puppets.
Kids Garden	Learn more about working outdoors and watching life grow.
Kinderfun Bunch	Introduce K-2 to fun arts and crafts, educational games, and more!
Kool K'Nex	Improve your fine motor skills as you work with these challenging building blocks!
Nature Crafts	Each week children will create works of art to take home using items related to nature to develop an appreciation for the world around them, as well as inspire their creativity.
No Bake Delights	Kids can do homework first and then join the class.
Parachute Games	Playing around with a parachute and seeing how many games can be played, running under, over, or around.
Pigskin Palooza (2nd-5th grade)	Students will learn the rules of football while practicing the skills, plays, and structure of the game.
Playground Games	Playing outdoors is great- especially different playground games! This course will explore different games that can be played on the playground
Read to Me	Come relax and read while building reading skills and vocabulary.
